**(983) 277-1927**

I pride myself on being an extremely hard-working, detail-oriented, exceptionally organized, and reliable professional seeking management or entry-level opportunities in the finance, hospitality, business management, and business marketing industries to further advance my knowledge, growth, and strengths through decades of experience and be a versatile and irreplaceable asset to a reputable company.
I am seeking a long-term career with opportunities for growth within the company, as well as provide my future employer with my skill and educational accomplishments, my resilience, and willingness to relocate.

- Authorized to work in the US for any employer
- Possess a valid U.S. Passport, a Valid driver's License, as well as 100% flexibility.

## Employment Experience/ History:

**Regional Director of Operations**
***Hilton- Colorado***

- Responsibilities include: All staff management (Guest services, Engineering, Maintenance, accounting, and the many facets of financial and economic analysis, Human Resource responsibilities included: Interviewing, Onboarding, Hiring, termination, as well as staff disciplinary when necessary. All cash reconciliation/audits (Daily, Weekly, Monthly, as well as quarterly, and fiscal year-end), Vault management, and reconciling any payment discrepancies. All guests/clients as well as staff satisfaction, and above and beyond service. All guest operations and accommodations, event planning, marketing, and sales operations. Additionally, work in a very fast-paced, demanding, high-stress position with ease and calmness. I was amongst a select small group of staff to help develop, build, and implement Hilton's entire guest services operating system, providing a streamlined, accurate, and effective system to better service both our guests as well as our staff. I managed/ approved all analysis of multiple

locations' inventory, profit and loss, product and inventory ordering, quality control, staff scheduling, problem-solving solving and resolution. I managed and oversaw each and every department's guest interaction, staff time management, productivity, and overall hotel operations in their entirety.
